

# ART MEAD WINE

**POP-UP TO BENEFIT THE HUNGRY**

**SEPTEMBER 22, 2019**

**5pm - 7pm**

## LOOK

Dougie Padilla's *lucky 70 (suerte)* highlights select **works from the past ten years**. These include paintings, drawings, original prints, tile work and an immersive ofrenda/altar installation featuring numerous calaveras (Day of the Dead skulls). This exhibition celebrates much more than his illustrious art career — it celebrates the creative principle, heritage, and life itself.

## TASTE

From humble beginnings, Josh Eckton and his family recently opened **Minnesota's first meadery**. Mead from White Bear Meadery is handcrafted, featuring Minnesota-grown honey blended with other locally sourced ingredients such as strawberries, raspberries, blueberries, apples, and maple syrup.

A unique selection of wine will also be served by experienced Minneapolis bartender and sommelier, Paul Hennessy.
